I. PROPOSED MOBILITY PROGRAMME

Language of training: English

Overall objectives of the mobility:

(1) getting to know one another better through **mutual introductions** of our institutes/programs and Q&A;
(2) learning from one another's experience and expertise regarding **Erasmus+**; and
(3) an **open conversation** on possibilities for cooperation in the future – on multilateral and/or bilateral basis.

Added value of the mobility (in the context of the modernisation and internationalisation strategies of the institutions involved):

The acquired learnings will enhance cooperation on various levels especially between the more and the less experienced partner institutions (this especially having in mind different interests, expertise and/or experiences with regards to Erasmus+). New links will improve indicators of internationalisation of research and teaching.

[i] Adaptations of this template:

- In the case of mobility between higher education institutions (HEIs), this agreement must always be signed by the staff member, the sending and the receiving HEI (three signatures in total).
- In the case of incoming mobility of higher education staff to an organisation, this agreement must be signed by the participant, the beneficiary organisation, the sending HEI and the organisation receiving the staff member (four signatures in total). An additional space should be added for signature of the beneficiary organisation organising the mobility.

[ii] **Seniority:** Junior (approx. < 10 years of experience), Intermediate (approx. > 10 and < 20 years of experience) or Senior (approx. > 20 years of experience).

[iii] **Nationality:** Country to which the person belongs administratively and that issues the ID card and/or passport.
